In spite of the statement that the oldest woman in America according to the census was 117 years old and lived at Battle Creek, Mich., an item is now going the rounds that Peggy Jones, col., has just died at Ghent, Ky., at the age of 124 years. Peggy's age must have been moved up a peg or two.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's catarrh cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional remedy. Hall's catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in its work. The proprietors have so much faith in it that they offer \$700 for any case that it fails to cure. Send for testimonials. F. J. CUNNEY & Co., Toledo, O. Sold by all druggists 75c. Hall's family pills are the best.

## Catarrh

Is a constitutional disease. It originates in a scrofulous condition of the blood and depends on that condition. It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs and disturbs the stomach.

It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

**Hood's Sarsaparilla**

This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit.

Hood's PILLS are the best cathartics.

Mr. Sulzer, of New York, in his speech last week, declared that the United States was violating the neutrality laws of nations by permitting the English to buy munitions of war here for use in South Africa against the Boers. He believed it was the duty of the President and of Congress to stop the purchase of supplies here. The great conscience of England was opposed to the war. "I know," said he, "that what Kitchener is doing in South Africa is worse than what Weyler did in Cuba. We went to war to free Cuba from Weylerism. We are in partnership with England and Kitchenerism in South Africa. Kitchener's orders are: 'Burn the houses, kill the men, drive the women and children out in the veldt to die so that they may understand the power of the British monarchy. Queen Victoria with her last breath, according to the reports, prayed for peace. She left that heritage to her son. If he makes peace he will rank as one of England's greatest Kings. If he pursues the present relentless war he will go down to history beside the infamous George III.'"

The Fidelity Trust and Safety Vault company was on Friday appointed receiver of the Louisville Dispatch company, suit for the foreclosure of the \$50,000 bonds having been filed. The receiver was authorized to issue \$5,000 of receiver's certificates to pay current expenses. The attorney representing the Mergenthaler Linotype company which holds a lien on the typesetting machines, objected to the issue of these certificates. The largest bondholders are John H. Whallen, \$27,000, Allen R. Carter and Ewing Leches.

The railroads have filed a joint petition for rehearing before the State Board of Assessment on the question of certifying the franchise values to the counties. They ask a reargument on March 10. The roads asking it are the L. & N., the C. & O., the Queen & Crescent, Illinois Central and Southern railway. Judge Hazelrigg has been employed to represent all the petitioners. The board has as yet taken no action as to granting the reargument.

At Topeka, Kan., Sunday, Mrs. Carrie Nation led a crusade against joints. It was participated in by 500 men and women. The mob smashed a joint and destroyed a large lot of liquors and bar fixtures at a coal storage plant. Mrs. Nation was arrested four times and spent several hours in jail. After being released on bond, she announced that she would lead another crusade Monday.

Some of these fine mornings this bright young man will order his mail sent to Washington, D. C., while Congress is in session.

Such gross frauds were perpetrated in the Republican primary in Knox county that a split in the party is imminent. The Christian County Republicans should send greeting to their brethren in Knox.

J. D. Woodson beat P. M. Williamson for re-nomination for representative in Webster county.

The claims of other cough medicines to be just as good as Chamberlain's are effectually set at rest by the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: I had kept adding to a cold and cough in the winter of '97, trying every cough medicine I heard of without permanent help until one day I was in a drug store of Mr. Honahan and he advised me to try Chamberlain's cough remedy and offered to refund my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines. For sale by all druggists.

Mrs. Henningham Ford, in the 82nd year of her age, at her home in Pembroke. She was the widow of the late D. S. Ford, Esq. She was a true friend, a good neighbor and possessed many noble qualities. I hobbled into Mr. Blackman's drug store one evening, says Wesley Nelson of Hamilton, Ga., and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for sometime. I told him I had no faith in any medicine as all had failed. He said: Well if Chamberlain's pain balm does not help you, you need not pay for it. I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism. Sold by all druggists.

The ladies of Christian county having in charge the collection of funds for the Goebel monument have sent to the central committee at Frankfort \$188.11 and expect to send enough more to make it \$200. ## MANY ENTRIES.

Old Fiddlers' Contest Will Be a Big Affair.

More than thirty entries have been made for the Old Fiddlers' Contest, which takes place in Clarksville on the night of March 1. There are in addition a great many entries from Kentucky for the interstate contest. There will be several special contests between the fiddlers from Clarksville vs. Gallatin, Clarksville against Murfreesboro and Clarksville against Hopkinsville. The ladies of the Masonic Auxiliary have almost completed their arrangements, but are still daily receiving applications from old fiddlers. The Hopkinsville quartet will be on hand on the occasion and the indications are that a number of the "fun-loving" will also go along with the local contestants.

## Danger of Colds and LaGrippe.

The greatest danger from colds, and lagrippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's cough remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of dangerous malady. It will cure a cold or an attack of lagrippe in less time than any other treatment. It is pleasant and safe to take. Sold by all druggists.

## TOBACCO FREIGHTS

Reduced by the Louisville & Nashville Road.

The petition of business men to the L. & N. Railroad Company, asking better freight rates on tobacco, has been acted upon favorably and some concessions made, as indicated in the following letter to the local agent:

Evansville, Ind.

C. E. MILLER, Agent:—  
"On consideration have decided to make rate on tobacco from Springfield, Adairville, and all other territory discussed with Mr. Cooper, one cent per hundred higher than Clarksville in view of difference in distance to Clarksville as compared with Hopkinsville."

"This adjustment seems liberal to latter point, and will, I trust, be satisfactory to our friends in Hopkinsville."

"Please advise them and I will arrange to have rates issued at once."
